Structure problems with the control room will be looked into by the Construction company and contractor. Word has not been received back on the heating and cooling as yet. At present 15 prisoners are being held in jail of which 7 are local.

Discussion with County Engineer:

Discussion was held regarding Yaggy Colby, and to apply for RISE GRANT for MGP road. The fee would be \$3500 to apply. Roughly a mile of pavement or blacktop will need the estimated cost. Would like to get the information ready in a package so if a RISE Grant comes through, we would be ready. Zoning must approve plat before MGP can sell lot. Bridge in Garfield Township at standstill until progress can be made in land purchase for drainage ditch. All resurfacing work is done now and Secondary Road has started white edge line painting.

On motion adjournment was taken until September 9, 2003.
